# **Vision Statement**

#### Yes / No including Did not Vote

Comments to Vision Statement

Need to encourage Santon to come to village

NB We need to be forward looking not backward looking. Important to consider future population

(This person said N0) I worry that the word preserve can be seen as 'no change' at all. I think community is the most important. Appleby is a unique community, we should encourage it to be a living community that is vibrant whilst maintaining the heritage and character of the parish that we love.

Question

Where do you think there might be opportunities for limited infill housing in the Parish?

- None
- None in Santon
- None in Santon
- None
- · Definitely not the paddock and Playing field
- None
- None Not the playing field
- None
- None Do not agree with tandem and infill for housing on small gardens.
- None
- · Next to Church, Keb Lane there used to be cottages along there
- Yes
- No All infill appears used
- · Limited infill is fine (we should preserve the paddock and the character of the parish
- · If any next to Church Hectors field
- Yes next to Church, not the paddock
- In the estate lane behind the gates in church lane
- Appleby Hall grounds / Vicarage Park
- · Potential for a limited amount of affordable housing but limited space for infill. Please protect the playing field as this is an important resource.
- · Jacksons barn needs some sprucing or tidying up

- amount well Next to Church along Keep bungalows Keb Lane fire housing affordable smaller cottages gardens appears bare facilities now Hectors ed support needs Street planning yard expansion Please replacement additional planning Next to Church 2 house - Keb Lane used to
  - have cottages on as well. Next to Natalie's bungalows etc,
  - · No where very important,
  - New build house where OAP bungalows are now when they come to the end of their life
  - Next to church Keb Lane used to have cottages as well
  - None We are outside the development line for Appleby at Carr Side Farm Do not want development other than single house farm house replacement.
  - West of Ermine Street
  - No Lose character of the village
  - Keep infill properties to smaller houses/ semis not 3 story houses
  - None
  - Jacksons barns
  - Don't like infill
  - Old Manor Garden
  - No areas
  - None
  - · Yes very limited infill Old hall area
  - None
  - I do not agree with any additional housing unless there is an expansion in support facilities
  - Existing farm buildings & farm yard land around the Parish
  - No where
  - I'm not aware of any in the village of Appleby. However, I would expect that any potential sites would be subject to the usual planning regs and would therefore be made public.
  - Within the grounds of the hall (that was destroyed by fire)

#### **Housing and Development**

#### Question

#### Number of houses

- · Zero,

- · Two next to church more on Keb Lane,
- Four,
- · Not too dense,
- · Eight,
- · None,
- · Two houses next to church,
- · Zero,
- · Zero,
- · Ten Detached,
- · Four to six Old Hall area,
- · None,
- · Sympathetic to the site available,
- · None,
- · Not applicable,
- · Perhaps four large properties

# Housing and Development

# Housing and Development ~ What type

#### Question

What types of new homes would be beneficial to the Parish and why? E.g. affordable / rented / shared ownership / extra care facilities

- None.
- No development in Santon,
- No Development in Santon.
- None.
- Rented,
- If any affordable,
- None.
- None,
- Existing barns Jacksons on Risby Road,
- None,
- None.
- None.
- None,
- None.
- None.
- None,
- Affordable/first time buyers to attract young people,
- · Affordable,
- Some affordable,
- Affordable which is sympathetic to the look/ feel of the village,
- · affordable/rented and bought,
- This should be linked to estate cottages with land not too dense,
- · Affordable young families can not afford to live here.
- Affordable,
- · New build in an old style Estate Houses for young families,
- Semi detached in keeping with the village,
- Affordable housing,

- Maybe some extra care facilities,
- No.
- Affordable first time buyers to attract young people,
- · Jacksons Barns could be refurbished,
- · Yes.
- · Affordable/first time buyers need to attract young people,
- None,
- Affordable owned,
- None.
- Semi detached and affordable,
- · Affordable,
- Affordable/rented,
- Affordable shared ownership,
- extra care facilities.
- not rented.
- plenty of rented already,
- affordable.
- shared ownership,
- extra care facilities,
- affordable extra care facilities
- · Smaller houses for starter homes and downsizing,
- encourage young people to live in area,
- None Preserve it as it is,
- Mixture of all types,
- None.
- · Not sold on the fact that there needs to be any new homes in Appleby village,
- Large high specification houses in the estate style

#### Housing and Development

Housing and Development ~ Any specific how many and where

#### Question

Do you think there should be any specific 100% affordable housing sites in the Parish, if so, how many and where?

#### Comments

- No Zero,
- Zero,
- No Zero,
- No Zero,
- · Not Really,
- No,
- · Zero,
- Zero, Problem with cheaper/affordable housing is that people buy to rent don't agree with this as people who rent are more transient,
- No,
- · No Zero,
- No Zero,
- No Zero,
- No Zero,
- · Anywhere that does not spoil our views,
- No Zero,
- No Zero,
- Next to Church Keb Lane and bungalows etc next to Natalie's,
- · Yes,
- · Jacksons Barns,
- · a mix is good,
- · Not too dense,
- · Yes,
- In the Estate Land not the paddock we need to keep green spaces within the village to keep the rural feel, This is why we are living here. -RURAL,

No Zero,

integrated None

properties field Jackson's Barn

• No,

agree

#### Employment

#### Question

What do you think would make working from home attractive to residents over the next few years?

# Employment ~ What would make working from home attractive over the next few years

- · Broadband,
- · Fast Broadband,
- Good broadband connection not provided by wireless provider to people outside the village,
- Good Internet connection,
- · Super-fast broadband,
- · A coffee shop with decent wiFi access,
- Better Broadband in the parish not just the village
- High speed broadband,
- Risby Road modernised and kept ice free in the winter,
- Village Hall have a weekly shopping day with butcher / fruiter / baker etc,
- · Broadband,
- Not industry,
- · Internet improvement,
- Protection of green area for ambiance and relaxation,
- · Fast internet,
- · Broadband,
- Broadband, Well maintained roads, Dedicated parking,
- · Broadband, Make the place special,
- Decent broadband is a big step now, it is very important that we keep pace with technology,

- Technology is so accessible now avoids the need to travel becomes more attractive to work from home,
- · Broadband fast,
- · Office support facility (photostat),
- · Broadband fit for purpose,
- · Super fast broadband,
- · Better mobile signal,
- · Broadband fit for purpose,
- · Mobile signal fit for purpose
- · Better broadband
- Faster broadband,
- · Fit for purpose broadband,
- Fit for purpose mobile,
- · Reliable broadband that doesn't drop out,
- · Fast broadband,
- · High speed affordable broadband in Santon,
- Parking facilities for clients,
- · Better travel links,
- A small shop / post office,
- · Not building more homes.
- Keeping the village and surrounding area as they are,

Show how life was like in the 1800's

Traditional

Worksalong

Pottery

Woodturning Craft

Blacksmiths

#### Employment

#### Question

In the Services and Facilities section there is a suggestion that there should be a Heritage Trail around the parish along with traditional craft workshops. What sort of traditional workshop should there be?

#### Comments

- Pottery, Iron,
- · Farm Shop,
- · Craft of some sort,
- A workshop would be fantastic along the lines of the Tile Works at Barton upon Humber,
- Wood Turning,
- · Rural craft,
- · Clay pots bricks etc,
- Woodworking shop,
- · Maybe an archaeology relates,
- · Craft?,
- · Wonderful idea,
- · Not sure what would work open to ideas,
- Market farm shop,
- Gardening focus also,
- Good idea unsure exactly what (type of) workshop
- Woodwork,
- · Blacksmiths,
- · Copy Barton's Tile Works and Rope Making,
- Scunthorpe 2021,
- · Traditional country crafts,
- · Blacksmiths or traditional bakery,
- · Country crafts,
- · Iron / blacksmith,
- Woodwork,
- Not sure,
- Is there enough critical mass to make it successful?,
- · Show how life was like in the 1800s

• Woodturning,

Iron

- Country crafts,
- Wood turning,

Woodwork workshop Market Farm Shop

cunthorpe 2021

sure pots bakery

Wood.

Barton's tile works

- Any sort,
- Thatching,
- · Spinning yarn.
- Agree,
  - Don't know,
  - · Wildlife gardening,
  - · Farming,
  - · Good suggestion,
  - · Whatever would suit Appleby's heritage,

#### Question

Where should these workshops be based?

- Ermine Farm complex,
- · Old Farm complex off Risby Road,
- Old farm complex off Risby Road,
- Old farm complex off Risby Road,
- · Old Saw Mill area off Ermine Street,
- · Old Saw Mill area off Ermine Street,
- In disused industrial buildings
- Don't know

#### Employment

#### Question

Employment ~ Other forms of employment

Should we encourage other forms of employment within the Parish, if so what?

maintenance offices parish Garden Local workshops working from home Debatable B & B services re-open railway station SMAII SNOPIT type work Artisan TradesSelf employed encourage servicingSmall Enterprises service Not sure Tea Room avoid parking problems

- If you do you must avoid parking problems within the village,
- · Not sure,
- Local business could include lawn mower servicing Garden maintenance services,
- Tea Room,
- Business but would need workshops or buildings,
- No,
- · Self employed,
- · Yes,
- Village shop + pub,
- Very difficult to encourage new forms of employment, mainly working from home,
- a shop / cafe would be great for the village,
- · Artisan homes,
- Debatable,

- Trades,
- · Bed and Breakfast,
- IT type work,
- I think we should be getting a range of people to live here,
- I think employment is a low priority for the parish vision,
- If facilities (broadband / mobile) are sorted then employment will tend to sort itself out,
- · Honestly don't know,
- Reopen Appleby railway station with links to Scunthorpe as the decline of the bus service,
- · Small business / shop / pub / offices,
- No,
- · Yes!.... but can't suggest what,

#### Question

**Services**: The Neighbourhood Plan looks forward 15 to 20 years. In that time scale are there any services which the Parish does not have today that you think should be available in the future. If so what are they?

# Comments

- · Heritage,
- · Art & craft,
- · Road maintenance,
- Shop,
- · Doctors surgery,
- Bus,
- · A Doctors practice,
- · Dental practice,
- · Good bus service,
- Internet connection,
- · Transport,
- · Bus seems okay,
- · Schools unusable,
- · Maybe use Appleby village hall as a Hub

Services Are there services which the Parish does not have today we should have in the future.

#### encourage young famlies Retail housing Shop. Doctors practice Dental Ce maintenanceTransport Gas Heritage seems Schools surgery Art & craft share Pub Broadband in rest of parish affordable Club Road oung families <sup>outlets</sup> Santon needs ā bus service Village Hall Hub Mother / Toddler Group viability

- Club?
- · Offer Village Hall to local leisure services,
- Gas,
- · Broadband in rest of parish,
- · Need to encourage young families,
- · Some limited affordable housing,
- If young families come then need facilities such as Mother / Toddler Group,
- Bus services,
- Bus service,
- · Pub / restaurant,
- Retail outlets main problem viability share with others,
- Santon Need bus service to continue at least two days a week

# Service and Facilities

# Question (No graph) [Facilities]

**Facilities**: Again think about the longer term. Are there any facilities that come to mind which the parish would benefit from, if so what are they?

- Bus service same 55 service through the village,
- Signpost,
- · circular walks,
- Internet connection improved not provided via wireless connection,
- · Shops,

- WiFi hub at Village Hall for locals to use if needed,
- Classes locally for OAPs (+ anyone needing it) to learn to use online shopping,
- · Circular walks around the parish,
- Small shop,
- · Farm shop,

#### Question

**Infrastructures**: If the Parish grows with new housing and small businesses / employment would the current infrastructure such as utilities and roads be sufficient to cope. If not what needs to be improved?

# Services and Infrastructure ~ Infastructure

development footpath improvement fields parish control Maintenance able change de-icing surface rat fast able traffic **Coverage** upgrading listcouncil's Road copestop Risby Road signal ſ houses depends dangerous number businesses managemen arrangements

- Parking
- · Drainage, Gas,
- · Road Maintenance,
- Drainage / surface run off from fields and level crossing,
- Risby Road needs upgrading should be on the council's list for de-icing in winter,
- only if we control the amount of change we introduce,
- This depends on the number of houses or businesses a few and the current arrangements can cope,
- Prefer no further development,
- No,
- No,
- · Yes roads,

- · Broadband,
- Broadband + mobile signal,
- Either improvement of Risby Road or better traffic management to stop it being a rat run (one or the other),
- Cycle path or footpath to be able to safely get in and out of the village ,
- the roads are too fast / dangerous for kids to cycle in /out of the village,
- Mobile phone coverage
- Mobile phone coverage
- Make broadband available over the level crossing
- No broadband outside village for rest of parish make it available!

#### Questions

Thinking more specifically. Are there opportunities for retail services in the Parish e.g. Farm Shop, tradition crafts or any other form of retail outlet. If so what type and where could they be located? Services and Facilities ~ Retail opportunities

- Regular sales event at the village hall maybe mini farmers market,
- · Farm Shops,
- Artesian Workshop
- Mobile Store / Post Office,
- Skype connected with surgery / police,
- Jacksons Farms Barns farm shop/tearoom craft,
- · Yes Artisan development,
- Shop or farm shop in village hall or church,
- Like a farm shop / traditional workshops perhaps in old unused barns,
- · A local shop providing daily essential,
- a farm shop selling local produce,
- Farm shop would be super,
- Farm shop Ermine Street (North of Appelby),
- · Artist (craft shop) Cooperative,
- Yes a farm shop / craft shop is a good idea,

- · Would love a pub,
- · Farm shop,
- general grocer,
- rural craft,
- Farm shop,
- Farm shop,
- Craft shop,
- Farm shop,
- Craft outlet,
- · Farm Shop please,
- No,
- Farm shop at Village hall,
- · Build around a community cafe,
- Encourage pop-up events mini farmers market pub nights,
- lack of population and passing trade to have a permanent facility

# Question (No Graph) [Young People]

Again thinking specifically. Are additional facilities needed for **young people** living in the Parish, if so what is needed?

#### Comments

- A games evening at the village hall maybe?, Games at the village hall especially during school holidays table tennis etc,
- Youth club,
- · Youth club, creche,
- Youth club,
- Youth Club, Sports Club,
- Youth club,
- Youth Club,

- Cycle path for safe places to ride bikes,
- Could do with a small play area at Santon nothing for the village children,
- Clubs
- Need to have more young people in the parish interaction with housing policy,
- Playgroup
- No

#### Service and Facilities

# Question (No Graph) [Elderly People]

Are there any facilities needed for the elderly people living in the parish, if so what are they?

#### Comments

- · Improve the footpaths some are really poor,
- More social events during the day Knit & natter etc,
- · Meeting place,

•

- · Social club for the elderly outreach surgery
- Classes on online access and how to use it maybe subsidised,
- More regular / reliable transport,
- · Maybe some extra care facilities,

- Clubs
- Community cafe
- Home Visits reminiscence
- · Improved bus service
- Local shop
- · Small postoffice / shop for the elderly
- Regular bus service. Small shop.

# Village Hall

# Question

Village Hall Suggestions

Village Hall ~ suggestions

arranged Jsed businesses prices facility build nursery class trendconsolidate leisureAdvertise one Pub around daymusic Heritage Centre Market privat WiFi \_afeYouth ClubGamesmodern . Market private meeting De( Indoor bowling involved wideruse community centredForestoutside b hire meeting rooms certs teas club local General Grocer h business weekend postcoffee exercise events sense Accept

- · Indoor Bowling,
- Advertise it on the Net,
- Possible music group or choir for the village,
- General grocer for the village,
- Pub / Café,
- Heritage Centre,
- · Cinema,
- · Games afternoons,
- Market the village hall for business use meeting etc To hire a room at Forest Pines is around £200 per day, The village hall could market the modern room including teas/ coffee or employ outside caterers,
- · Concerts,
- · Exhibitions,
- Concerts,
- · Café,
- Try to get more people involved,
- post office in village hall or church,
- playgroup / nursery,

- · Make a hub club office to leisure services,
- · WiFi hub for anyone to log on,
- · More weekend activities,
- Open usage to local businesses e.g. exercise class meeting rooms etc,
- People are already trying hard maybe there just isn't sufficient interest,
- trying to get pop events arranged by a wider spectrum of people, encourage low prices for open events or private hire of the hall,
- Accept this a trend and consolidate with one facility Village Hall and Church,
- Used to be a Youth Club is there a call for one now,
- build a sense of community centred on the village hall for all ages,
- A more open outlook with people with business acumen to drive and promote activities that will improve the use of this valuable asset,
- Unknown,
- More entertainment nights for the elderly,

Church

#### Question

**Church Suggestions** 

Church ~ Suggestions

needed classical exhibitions Events centre mother Film club court concerts trendsmall building parishioners crecheGym<sub>Social</sub>Art Music sports centrePews toddlers use more than on a Sunday post office facility engagement

- Concerts,
- · Social Events,
- · Pews relocate within the church sell surplus,
- Use the church a little bit more than just Sunday service,
- · Music concerts both pop and classical,
- · Art exhibitions,
- · Concert in church,
- · Badminton court in the church,
- Turn it a sports / Gym centre,

- Film club there is one currently running at Winterton church,
- · Ask parishioners what they would like,
- Accept this a trend and consolidate with one facility Village Hall and Church,
- · More use of the church
- use for creche mother & toddlers or other relevant services,
- Church a building or community engagement that's needed,

# Heritage Trail

#### Question

Do you agree with the Development of a Parish Heritage Trail?

# Including Did not Vote

- Excellent Proposal /Visitors Centre?
- An expense that would give minimal returns long term

#### Question

Are there any green spaces within the Parish that deserve extra protection

#### Includes those who did not vote

# Question

Environment ~ Location of spaces deserving extra protection

Location of spaces deserving extra protection

- Not sure,
- · Playing field and paddock
- · Paddock,
- Village field,
- · protection of woodland
- Paddock,
- village green,
- Infill areas at old estate houses,
- the green outside thatched cottage
- Playing field and the paddock opposite the church,
- · The paddock in the middle,
- the paddock just north on Ermine St,
- and Playing field
- to stop the infill of so called brown field sites (dwellings with large gardens) which in time change the look of Appleby,

- · losing its individual character,
- Don't know
- · The woodlands and set aside.
- · The river and everywhere possible
- Re Appleby village Paddock, recreation ground, Carr Lane
- to stop the infill of so called brown field sites (dwellings with large gardens) which in time change the look of Appleby, losing its individual character,
- Don't know,
- · The woodlands and set aside,
- The river and everywhere possible,
- Re Appleby village Paddock, recreation ground, Carr Lane

#### Question

How can we improve our green spaces infrastructure network such as linking them with footpaths or cycle ways

Routes and locations linking

#### Environment ~ Green spaces infrastructure linking & routes

Speak to farmers cycleways cyle walking Old saw mill to Santon public cyclis welcome ircular sensible birds people good village d around the village parking Strack dangerous paths ways reassured Tracks tarmac pen up new verge er Need repairs right iver ootpath Extra drain areas e walk maintained encourage Drain way walks allow watch join clearer Maintain

- Footpath from Low Santon to Old Saw Mill
- Footpath from Low Santon along track to Old Sawmill
- Circular route Carr Side / West Drain / Carr Lane / Ermine Street
- Open up Tracks like one to pump house, along the drain to Appleby - so that people are not on road, - more signs to say -
- Santon Footpaths in full need of repairs not been done for years,
- Santon not very good footpaths at Santon for walking not been maintained for years
- Circular walks and cycleway
- Linking with footpaths and cycle path would be great.
- Extra footpaths for walking outside the village through the fields.
- · Signs, open new tracks
- Lack of footpaths around the village- you only walk on tarmac!!!
- Speak to farmers to allow access

- Footpaths cycle paths and bridle paths all welcome
- A place to watch birds eg.- hide, open bridle paths sign post for paths
- Have public right of way in as many areas as possible for use of walkers and cyclists
- Public footpath to river and cyle ways to join us with other villages
- cycle track around village
- Better paths between Appleby and Mill farm current too dangerous
- Accessible circular footpaths and cycle paths
- Maintain the paths and verges, encourage sensible parking
- · Have clearer footpaths
- · link with footpaths and cycleways
- Will be nice to be reassured keep the green we have
- Not sure that is possible
- · Making k ore

#### Question

Environment ~ Improve the parish for wildlife

How might we improve the Parish for wildlife?

Protection protect planting Adopt Maintain butterflies activities verges hedge walls birds <sup>owl boxes</sup> flowers bat boxes growth conservation Plant Insect hotels life paddock fencing Too many cats encourage keeping talks peacocks areas green meadow land pen good Introduce wildflowers Keep ducks **DICO** lestingtrees available community Ladybirds benches better readily bees Feeding stations OXE building hedgerows wildflower wildflower

- · Plant wild flowers,
- designate and area of your garden to wild life,
- Too many cats,
- · By keeping it wild and free,
- owl boxes,
- A pond with ducks would be a good idea,
- open green spaces,
- plant trees,
- · Wildlife conservation area,
- Use of paddock for wildlife and community eg. pond walkway and benches,
- More readily available info re wildlife talks locally and activities,
- · Keep trees and hedgerows,
- · Plant wild flowers to encourage birds,
- · Village pond,
- · Nesting boxes,
- meadow land,
- · Ladybirds butterflies bees and bird boxes,
- · Adopt the peacocks and look after them

- better,
- Introduce a wildflower planting scheme for the verges,
- More nesting areas,
- · Village wildlife pond,
- · Owl nesting boxes,
- Encourage hedge growth,
- · stop building walls fencing,
- · Insect hotels,
- · Maintain hedgerows,
- · Have designated bird feeding stations,
- Protection of the area,
- · Bird hides,
- · protect areas,
- · More bat boxes,
- by reducing large garden sites with new builds will have a negative effect on the present wildlife,
- · Reduce the areas with shooting rights,
- Newsletters encouraging people to feed birds and put up nest boxes,

# Question

#### **Environment Issues**

Are there any environmental issues which give you any concerns, if so what are they? Environment Lenient Appleby Black Asthma Speeding on Ermine Street flayed steelworks AutumnFarm Who do we contact rainCancer highest number POILUTION improve paddock issues Wind local MP Noise country Spoil Jadybirds Hare coursing Air orange smoke Spraying Dog particles noise-lorries Canton, village plots Poachers Clean flooding Trees Santon, village plots Poachers Clean Speeding Ouality Hedges constantly killing farms high countryside Hares Agency barking infill bees location resultant supporting harder

- Hedges are too high they should be uniform about 4 to 5 foot high
- Speeding on Ermine St,
- Santon Pollution very high(10) highest in the country who do we contact about this,
- Air quality at Santon very poor who do we contact to improve it.,
- Spraying on farmland,
- No,
- Air quality,
- noise- lorries,
- speeding cars,
- Trees being damaged,
- · No to village pond,
- · Wind farms would spoil our countryside,
- · infill building plots,
- More birdboxes butterflies ladybirds and bees,
- Carside Farm Poachers and Hare
  coursing. During Autumn constantly killing

- Hares from 11pm -2am
- Noise pollution from large number of dogs at one location in Appleby,
- · Dog fouling,
- dogs barking out of control at all times of the day and night,
- · Air quality and flooding issues,
- The way the hedges are flayed and not cared for around the middle paddock,
- Noise and particularly air pollution from the Steel works which is second only to Glasgow in the UK,
- · Air Quality in Santon.
- · Metal particles come down in the rain,
- Black and orange smoke from the steelworks,
- resultant high Cancer and Asthma rates at Santon,
- The local MP should be working harder with the Environment Agency to clean up the pollution rather than supporting a more lenient stance on pollution,

- Would like a circular walk round the Village,
- Appleby Carrs and Ancholme Valley/River,
- Would like more cycle paths and places to walk,
- Circular walks, circular cycle ways, freedom to roam within Parish on pathways
- Carr Lane to Saxby, Ancholme Valley walk,
- · Carr Lane to Saxby,
- · West drain north South,
- · West Drain to Carr Side Farm Lane,
- More routes for cycling and walking off the main track towards the Ancholme,
- · Ancholme Valley/River,
- West Drain to Carr Side Farm,
- · Anywhere,
- I would like to see some circular walks branching off the river road ( Carr Lane?),
- · Carr Lane towards Saxby,
- · Ancholme Valley/river side walking and cycling,
- Circular walks on all tracks, Ancholme river side walk/cycling,
- · Keep all paths open,
- · all around the Parish,
- · circular walks,
- · Carr Lane to Saxby, cycling and walking,
- Carr lane to saxby, river ancholme walking and cycling,
- · walking routes, cycling routes,
- · Circular cycle paths and walks,
- · Would like circular cycle paths, circular walks,
- · Carr Lane, West Drain track,
- · circular walkways,
- · circular cycle paths,
- · access to leisure path to South Ferriby and Brigg,
- Carr Lane to Saxby,
- · Santon to the bridleway,

- Improve path access to the river to facilitate more accessible link to new route being laid from Brigg
- to South Ferriby,A cycle path from Broughton through to Winterton,
- · Everywhere,
- · North South Along west Drain,
- Circularise around the Parish, across to Carr Side Farm Lane,
- · Carr Lane to Carr Side Lane,
- Mill Farm to the Village current path not maintained and dangerous with fast cars,
- Circular route would be good for walking and cycling,
- west drain track,
- Carr lane to saxby,
- ancholme river track,
- · Carr Lane to Carrside farm lane,
- · circular walks,
- · Carr Lane to Carrside Farm Lane,
- West Drain north south track,
- · All over the Ancholme Valley,
- · circular routes for walking and cycling,
- · Carr Lane to Saxby,
- North South tracks,
- In and out of Scunthorpe,
- · Risby Road too dangerous,
- Down to the red bridge and back to connect with future Brigg/Ferriby river path,
- In reality only 500 yards of river bank needs attention,
- · Consider all tracks,
- · Front of sub station in Santon to the bridleway,
- A cycle path from Broughton through to Winterton,
- · All main routes,

Traffic and Transport ~ Walk / cycle in the parish and locations

# Question

Should the traffic speed be restricted with in the parish

#### Including Did not Vote

- · 20mph within the village, 30mph on through roads
- All village roads in Appleby(Not Ermine Street) should be 20mph,
- 20mph in the Village
- present speed adequate
- 30mph OK for Village,
- Paul Lane, Ermine Street,
- All the village should be 20mph zone,
- 25mph,
- 25mph,
- The whole village 25 30 mph
- Ermine Street and slower traffic along narrow lanes,
- · Ermine street,
- Speeding on Ermine Street,
- · 20mph within the village,
- · 20mph on village roads,
- 20 mph speed limit,
- 30
- 20mph through village
- · Existing speed limits are adequate
- 20
- Re Appleby village Ermine street. Already a 30 but no one sticks to it. . Why not put speed cameras there as they will be paid for in a fortnight with the amount of penalties that will be issued.

#### Question

What traffic issues do we have in the parish?

Traffic and Transport ~ Traffic Issues

- Speeding and HGV's
- Traffic too fast
- Speed enforcement, needs to be enforced or it is of little use,
- Between Appleby and Santon frequent speeding, there is a speed sign but this has little effect,
- speeding on Ermine Street and Church Lane,
- · Speeding motorists on Ermine street,
- · Parking on Beck Lane,
- Appleby to Mill Farm as housing and children are present along the road,
- there are many lanes without footpaths and we often feel vulnerable when walking, cars parked, outside the properties on narrow lanes often block the road causing ill feeling all round,
- · Paul Lane speeding,
- Paul Lane speeding,
- · speed and volume of traffic
- delivery vans parking on roads/lanes so traffic can't pass unless they go on the grass verges and mess them all up,
- Speeding on Ermine Street, HGV's going through,
- Worrying about the number of HGV's using Risby Road as a through road although not allowed, happening on a daily basis, wear and tear of

- · Risby road affecting flow of traffic,
- Stop HGV's,
- speeding on Ermine Street, Number of HGV's,
- · Excessive speeds on Ermine Street,
- Risby Road is a by bypass route for speeding cars,
- Biggest issue is Risby Road too much traffic, can we traffic calm use cones to persuade traffic to use A1077,
- · speeding traffic,
- · Lorries on Ermine Street,
- · Risby Road surface conditions,
- speeding traffic,
- · Cars drive too fast,
- · Newcomers and youngsters tend to speed,
- · Too many lorries through Santon,
- Weight restriction through Santon.
- Turn none permitted people round at the steelworks,
- · Vehicles parking on footpaths,
- traffic problems are caused by poor transport links,
- None,
- · Lorries. Idiots driving to fast,
- Parking on Beck Lane,
- speeding on Ermine Street.

#### Question

Have you any ideas or suggestions regarding transportation (including non-motorised) for the Parish

#### Including Did not Vote

#### Comments

- Vehicles travel too fast, Beck Lane and Paul Lane needs a priority for direction, Better cycle routes so that village is not an island,
- Traffic Calming
- frequent bus service, drainage and run off from the fields around level crossing, NLC have been promising to sort it for years, footpaths should be cleaned, Risby road speed limit should be reduced,
- · smaller buses, better bus services,
- · Speed Camera on Ermine Street,
- Stop HGV's coming through village and Risby Road,
- need a new footpath from Millm Farm/Carr Side Farm Lane on opposite side of the hedging as current path is too dangerous,
- I would like to see a Public Car Park for the village possibly inside the playing field,
- · not enough transport for the elderly,
- speed restrictions, calming on Ermine street, sleeping policemen,
- traffic calming on Ermine Street, restricted speed limit, road chicane,
- · cycle routes, more footpaths for walking,
- Traffic Calming measures, or greater use of speeding fines would encourage people to be more wary, cycle paths( preferably circular) would be great, more footpaths for walks within/around the
- need to sort steel works access out re Santon , Tough on Santon residents but I think we should

shut the access gates to all but emergency situations on Dawes Lane, It is in COMAH Tier1 and it just isn't appropriate to have open access to members of the public Santon residents that is, Santon residents could think about the opportunities that not having a through road would bring as well as the downsides,

- speed calming measures re (Andrew Fowler Belgium),
- · A bus to Brigg,
- Sort Risby Road as I've already lost two car tyres due to it's surface state,
- · Traffic calming measures, cycle routes,
- Bus service to Brigg more frequently, link to 350 to Hull bus service, surgery for elderly and infirm service,
- A footpath then out of the village on Beck Lane, priority arrow on Beck Lane for traffic to wait whilst cars come out of the village, or come into village down Paul Lane an
- as stated open the link to Scunthorpe by rail (low cost as the trains already go through from Grimsby to Scunthorpe.) this would be In keeping with other towns that have small villages nearby with poor transport links.
- Regular Bus service to Scunthorpe and Brigg

#### **Question:**

My dream ideas for where I live

#### Comments

to have regular social places to go, traditional style houses, more families with children, is to make it more exciting,

#### Question

What I like about where I live is

#### Comments

Nature,

people hardly ever get burgled, it's a nice place to live,

quiet and clean, ice-cream trike,

it's a pretty village,

#### Question

What I do not like about where I live is

# Comment

# Nothing,

the quietness of how much goes on,

the untidiness of some of the houses/gardens/ walls,

it's too quiet and there isn't enough for young people to do,

#### Question

What I wish was available where I live is

#### Comments

Grocery Store,

shops, pubs, eating places,

a small shop,

more facilities for younger people such as: shops/ places to eat/pub/places for teenagers to socialise,

#### Parish and Conservation Design Statement

#### Question

Design Statement ~ What do you like about where you live

What do you like about where you live?

- Quite, Pretty in places,
- Friendly,
- Very pleasant environment with a good community atmosphere, Conveniently close to the motorway network without the inherent traffic problems, atmosphere,
- · Pleasant quite village with a good community,
- Space, Peace, Tranquility,
- Peaceful environment, Space, Large gardens, Open views,
- · Everything that's why I moved to Appleby,
- · Happy where I live,
- Sense of community, Quite, Clean, Well kept, Good access to the countryside, Friendly atmosphere,
- Quiet, Clean, Safe, People,
- · Absolutely love it, The village is beautiful heaven,
- Open countryside and wildlife, Close proximity to Scunthorpe,
- Nice houses, Pleasant views, Village Hall, Green, People,
- The ruralness, The space, The peace and quite, The friendliness of the people, The village community feel is good, The village hall has lots of things going on, The feeling of belonging to a special place and people, Fayre Day, Open Garden Day,
- Quite, Wildlife, Community, Walks,
- Open space by the church, The quite, The rural aspects, The estate cottages, Friendliness,
- It's quite peaceful and lovely wildlife, Rural and unique,
- · Village life,

- Very Private I back onto farmland, Peace and Quite, the village is generally friendly,
- The style and heritage of the village,
- The ambiance, Green fields, Quite village, Lovely walks, A beautiful church,
- Beautiful location, Litter free, Looks nice, Quite roads,
- · Being friendly and looking out for one an other,
- Central to our needs when things are going on in the village,
- The community spirit, The architecture of the village,
- · Quite, Open spaces, A sense of community,
- Everything,
- Walks in the area, Style of properties, Community spirit, Village hall,
- Southerly view across fields, Reasonable distance to towns Scunthorpe and Brigg, Community feel thanks to people who make an effort to organise, Open space field and paddock,
- Beautiful scenery, Peaceful, Wildlife on your doorstep,
- Cheerful Village, Small enough to know people, Fairly quite,
- peace and quiet
- Quiet
- the tranquillity
- Peace and quiet
- Yes
- The quiet The green and wildlife
- Everything
- · Peaceful, simple, undeveloped, community spirit

#### Parish and Conservation Design Statement

#### Question

What do you NOT like about where you live?

Design Statement ~ What do you dislike about where you live

Untidy building plots becoming a retirement village Nit picking villagers footpaths Speeding people Empty estate properties Nothing grass shop Uncared front gardens Air pollution Verges rotting house Hayton's Lane Fly tipping traffic garden Lack of facilities verge fast parking parked cars Litter overgrown damaged Broadband Dirty roads HGVs Infill Untidygardens Speeding traffic from 5am No pub Poor mobile signal hedges Lack of amenities Church Lane falling into neglect Path to level crossings Lack of public footpaths Lack of affordable housing

- Untidy gardens / hedges, Cars abandoned in gardens, Damaged grass verges, Path to level crossings overgrown - can't walk on it!,
- Badly damaged grass verges due to inconsiderate parking, Insufficient parking for village hall events for those attending but living outside the village (of Appleby),
- Too many "drive in drive out" people who take no part in the village they want to live in,
- · Some traffic, Litter / fly tipping,
- Lack of facilities, Would like a more cohesive community,
- Nothing,
- Post box School Lane the verge damaged, state of hedges,
- Lack of amenities, Small shop / cafe would be a good hub for the village, Lack of public footpaths for varied walks in the village,
- · Broadband, Transport,
- · Lack of amenities (such as) shop (or) pub,
- Dirty road, Air pollution from steel works, through traffic from Tarmac and steelworks,
- · Traffic to fast, Too many HGVs,
- Speeding along Ermine Street, Poor broadband, The possibility of the Estate wall along Church Lane falling into neglect,
- · Uncared for front gardens,
- · House on Hayton's Lane that is rotting (away),
- · Speeding traffic from 5am!,
- The Farmer has set aside behind me last year was full of thistles and subsequently so is my garden,

- · Speed of traffic down Ermine Street,
- Mobile phone signals are very hit and miss I am unable to change mobile phone provider as a result,
- Not enough public footpaths in the area, Untidy building plots,
- · Looking after the grass when cut,
- · Grass cutting not done enough left very untidy,
- Speeding traffic, Poorly parked cars in the village, Lack of places to go for a walk, Those very bushy hedges need a trim create bad will among residents,
- · Infill of houses in garden areas,
- Traffic,
- · Nit picking villagers,
- It is becoming a retirement village, Too few families, Too many empty estate (and ex estate) properties that are in a poor state of repair, The affordable housing should already exist in the village it needs focus and engagement with the estate would they consider forming a housing association?,
- HGV Traffic and Dirty air and rain from the steelworks
- poor local transport links
- No local shop
- · Noise & pollution from the Steel Works
- Some of the unattractive buildings that are not in keeping with the village that have been built in years gone by, but also more recently

#### Parish and Conservation Design Statement

#### Question

How would you like the area where you live to look in 15 years?

#### Design Statement ~ How would you like to the area where you live to look in 15 years

woodland hedges Santon small play area A bit of infill is okay mix of young and old Good mix of facilities Good mix of facilities Same as now wildlife footpaths well Still Peaceful views Won build Friendly serene play shop pub around Traditional families Much the small Appleby Less traffic Tidy Less traffic Tidy Viable More walks quiet Community Nice Verges More walks quiet Community Nice Verges Calmed Wider range of people Space Best Kept Village Keep style of properties GP or nurse at village hall GP or nurse at village hall GP or nurse at village hall States of people Space Set Kept Village Keep style of properties Community Nice Verges Calmed Keep style of properties CP or nurse at village hall States of people Space Community Community Community CP or nurse at village hall CP or nurse at village ha

- · Just about the same,
- The same open aspect as you walk around the village (of Appleby) with views of the countryside,
- It needs to gradually and sympathetically enlarge to remain a viable community,
- · Space and Tranquility,
- Still peaceful, Open Views, Great Social events, More cohesive community,
- · The same as now,
- · Tidy and well kept,
- A good mix of young and old residents with at least the current facilities for children (park and outdoor gym) and families,
- Much the same,
- As it is but with a pub and shop, No extra development or infill,
- Hope traffic calmed and reduced, Small play area for Santon children,
- More serene as I'm sure it was before heavy industry roared through,
- Pretty Much the same please, Any new build to be in keeping with the rest of Appleby, Still keeping hedgerows for wildlife along paths and in gardens, Space for children to play safely, Green space for animals to graze, Churchyard to remain tidy, wildlife to remain,
- · The same with a small shop and a pub,
- Still quite, Still rural, Vibrant, Friendly, Live and work,
- · More footpaths,
- · Much the same, perhaps infill of affordable houses,
- · A quaint village as it is now,

- The same,
- Unchanged if possible, Maybe more solar power around?, Possibly weekly visit from a GP practise / nurse to Village Hall,
- Very similar,
- Keeping up the village like when we have won the Best Kept Village award,
- To look like when we have won the Best Kept Village,
- Traditional but keeping up with technology, Keeping a good community spirit, Retention of hedges and traditional style of properties,
- Pretty much as it is,
- Almost the same,
- · More walks, Keep style of properties, Nice verges,
- Much like today with better kept woodland to the north of Church Lane,
- Same,
- Vibrant, Broadly similar, A bit of infill is okay, Wider range of people, Let empty properties, Better feeling of community,
- Tidy, Verges etc. with better road surface through our village.
- Not much different to how it looks now but I am happy with change if it improves the lives of residents and is in character with the village style
- Quieter from noise pollution, cleaner from air pollution, a shop or pub which would give greater community integration
- The same
- As it is now.
- Pretty much how it does now but with nicer houses having replaced the unattractive ones!

#### Themes

Housing and Development Comment Theme

we need more affordable housing,

need to have more affordable houses,

semis/bungalows/flats,

Old Hall grounds would be perfect for village style semis, affordable housing to bring young people into village,

8 for young families and downsizing

7 for young families and downsizing,

Could you please explain your definition of the term "affordable"

Visually sympathetic is important, but not affordable housing necessarily

#### **Environment Comments Theme**

provide more homes for wildlife, provide more to help wildlife and birds, protect existing open areas, Sort out the steelworks. Air quality

#### Themes

Comments Traffic and Transport Theme

No huge lorries, sensible parking,

speeding through the village,

stop speeding around the village,

30mph on Ermine St

reduce noise and air pollution from heavy traffic is important,

7.5T limit through Santon. Road and path surfaces. Access through Steelworks

Recent changes seen sufficient

Comments Service and Facilities Theme

bring old and young together, encourage appreciation,

no buses for those without cars,

bus service non-existent,

A shop / pub will be a community hub

#### Themes

**Comments Heritage Theme** 

love this, scope for visitor centre,

interesting to have our history,

introduce a Parish history group,

Comments More Leisure Activities Theme

Circular walking/cycling routes,

to keep the young off the busy roads,

arrange for the young ones to get off the roads,

make an access to the boulevard for walkers,

dedicated Cycle paths

# **Results Visioning Day**

#### Themes

**Comments Employment Theme** 

People working outside the home have a broader experience of the wider community/ outside world, redundant buildings would be ideal for encouraging crafts,

use of redundant buildings for art/craft/traditional businesses,

the best idea so far,

good idea would bring community together,

better broadband, wood working, old farm crafts, saddlers and harness makers, blacksmith and iron work,

it's important businesses do not impact of residents (noise, vibration, odour, anti-social hours)

High speed broadband in Santon.

Other than a small shop or pub, no other retail outlets

Comments Parish and Conservation Area Design Theme

landlords need to maintain rented properties, have high expectations from residents,

very good for the village to work together,

could make the village work together,

New Builds to look like old builds (chimneys, proper tiles, wooden windows frames, no solar panels),

Comments How useful has today's event been?

Very enlightening

Very Informative and interesting,

very good,

Very useful to know what is being proposed,

Thank you for all the hard work

Appleby Parish Neighbourhood Plan Your Parish, your future
