Seasonal updates and information for the residents of Appleby, Santon & Clapp Gate

## St Bartholomew's We have a problem Church Council needed Revd Alice Nunn

Currently Appleby's parish church, St Bartholomew's, does not have Parochial Church Council (PCC) as all members have, over time stepped down and we are still struggling to find anyone willing to act as Church warden, Treasurer or PCC Members for your local church. The situation is serious as I do not think the Diocese will be happy for this to continue indefinitely.

Please understand that it is not realistic or possible to expect the vicar and the Ministry team to take on these responsibilities. If you wish a Christian presence to continue in Appleby parish we DO need your help urgently. Please consider helping us by putting yourself forward to join the Appleby parish PCC. Interested please contact me on 01724 732262

A PCC (not to be confused with the Parish Council) is the executive committee of a Church of England church. The PCC consists of clergy a churchwardens of the parish, together with representatives of the laity (the people of the parish). Legally the PCC is responsible for the financial affairs of the church and the maintenance of its assets, the biggest of which is the church itself, and for promoting the mission of the church.

At the moment we are managing to hold fortnightly services at St Bartholomew's on the first & 3rd Sunday of each month at 9.15

On a more cheerful note I am pleased to say that there is a concert in church given by the St Celia Singers on 30th March at 7.30pm. Tickets from John or Rosemary Jeremiah, Please see the 'poster' at page 5.

With warm wishes Alice the vicar

## Easter Services

Here are the Holy Week & Easter services at St Bartholomew's:-

### Good Friday

19th April 9.15 am  
Liturgy of the Cross

### Easter Day

21st April 9.15 am  
Holy Communion

## Parish Council Keeping You Informed

Councillor Ivor Keyes

Chairman Appleby Parish Council

**Appleby Parish Neighbourhood Plan** The result of the Referendum for our Neighbourhood Plan is covered at page 3 of the Newsletter, but it can't go without a mention here and a big thank you to the Group that put so much into it and to all residents for their participation. The end of that process is now just the start of the next step in the process which is that of our Councillors to make use of the Plan from now until 2030 when responding to Planning Applications.

**Planning Applications** relating to our Parish can now be seen on the PC website [www.applebypc.org.uk/Planning\\_25382.aspx](http://www.applebypc.org.uk/Planning_25382.aspx)

A further move towards more transparency of Parish Council business. Agendas, minutes and accounts are just some of the things available to be seen.

I've mentioned the input of our residents to different groups within the Parish in the last few issues and to follow on from this I need to mention the work done by WI for our Community. They have supported other groups for so long, particularly the Church and Fayre Day. Many members have been active for a number of years, Wendy Marshall is the current President, Ann Drury is Secretary and has been for some 10 years along with other initiatives in the Village, Jackie Johnson is a Trustee Representative for WI Federation, which takes her beyond this area. Gladys Siddal is the current Treasurer and Sheila Rhodes has been a previous President. The reason I want make an extra mention of Gladys and Sheila is the fact that neither live in Appleby but contribute so much to our Community. Sheila works tirelessly for the Village Hall and Fayre Day and elsewhere in the area. Gladys has not only been Treasurer for WI but has also acted as Clerk for Parish Council in the past.

**The Bingo Group** hold regular sessions at the Village Hall which are always well attended. The evenings are organised by Elizabeth Hebblewhite and Anne Harrison with the great help of a host of people quietly getting on with the job and providing an evening out for residents. Newcomers may not be aware that Elizabeth is our Parish "paper girl" and has been for many years, her round lasting beyond normal retirement age. Elizabeth's mum Elsie Blanchard carried out that job before her. There is always something special to say about Appleby! Bingo dates are in the *Dates for your diary* section (page 6).

A number of issues have been brought to the parish councils attention as follow:

**Dog fouling** is still a concern. The vast majority of people pick up after their dogs. Did you know that you can report dog fouling directly to North Lincs Council on their website <https://www.northlincs.gov.uk/planning-and-environment/environmental-crime/dog-control/dog-fouling/>, or by calling 01724 297000. This reporting can lead to Wardens carrying out checks in the area, hopefully with an outcome of fewer dog fouling incidents. NLC staff can clean up fouling from hard surfaces, but not the grass surfaces of the playing field.

Please keep you eye on your dogs wherever you are . This last mention relates to the whole parish. Dogs running loose can frighten residents, wildlife and also the birds from the shoots which play a big part in the economy of our Rural Community.

**On road parking.** Appleby is a wonderful place to walk around and has charming but narrow roads, which can present a problem. Cars shouldn't park on footpaths, causing pedestrians to walk on the road, which can be a real hazard for those with young children. Parking on the road itself can create issues in some locations as other vehicles cannot pass without mounting the soft verges causing damage. The best solution is for vehicles whether owned or visiting, to park on owners drives.

**Hedges.** Virtually all the hedges around Appleby Village are kept neat and tidy and look great as they always do. Please try to make sure that the clearance on the footpaths is adequate for pedestrians, especially for those with young children.

## Andrew's Hedgehog Hospital Clapp Gate (details foot of page in next col.)

### HEDGEHOG HEAVEN

By Frank Tett

It was a freezing, windy night and snow lay on the ground

There was an eerie feeling in fact there was no sound.

The little hog was dying she was so wet and cold

Her Mum had gone to hibernate and left her to be bold.

The little hog was frightened when she found herself alone

She didn't know which way to go she was freezing to the bone

She tried to make herself a nest with twigs and soggy leaves

She curled up tight into a ball beneath a row of trees.

I think I have to go to sleep her inner voice was saying

I am so ill and very scared and then she started praying.

A passer by discovered her and wrapped her in his glove

He found the nearest rescue who took her in with love.

As she drifted off to sleep she felt so warm and safe

I'm going to heaven the little hog thought because I had some faith.

After a while the little hog woke to voices and a light

Oh look she's woken up she heard my goodness you gave us a fright.

Well, this isn't heaven thought the little hog I know I'm still alive

Someone must have rescued me so I will fight to thrive

Over the next few days and weeks the little hog grew stronger

Becoming large and healthy she could stay with us no longer

In early Spring we let her go back to the wild to find a mate

She scuttled off into the trees and left us wondering what's her fate.

When May arrived our hog returned with three little hoglets in tow

She was indeed a very proud Mum as they followed her all in a row.

The message from this little poem is that Man and Faith together can achieve such miracles no matter what the weather.

Dedicated to all little hogs who are now in Hedgehog Heaven.

## Planters 2019

Councillor Ivor Keyes

I'm sure that you'll all agree that the Planters throughout the Parish have looked really good throughout the winter. As we move into the warmer weather it would be great if watering by residents was continued this year. That worked really well last year with only the occasional top up required by Cutting Edge who will carry out all other maintenance and who made a splendid job of that. We'll be sourcing our bedding plants from Linden Nurseries at the Station area again and many thanks for their help.

We've entered the Best Kept Village competition again where we came third out of 16 entries in 2018. Residents gardens always look good in general, especially around hedges and frontages. The competition is normally judged mid to late July if that helps. But once again, thank you for all your efforts last year.

## Air Quality Report Santon

Concerns were highlighted during consultation for the Appleby Parish Neighbourhood Plan about the air quality around Santon. It was accepted that via this newsletter we would issue occasional reports on the subject. In this regard the following information has been compiled with the help and assistance of NLC Environmental Protection Team who are charged with the responsibility of monitoring air quality in the county.

Air Quality and how it measured is a very technical subject which can be perplexing to understand as the details are often explained in scientific language and abbreviations which to a lay person can be confusing. In the following we have tried to explain the some of abbreviations used and there source.

Air quality standards and guidelines are laid down by the Department for Environment Food & Rural Affairs (Defra) for more information on this subject please follow the link: <https://uk-air.defra.gov.uk>

The Air Quality Monitoring Station at Santon records a variety of pollutants including

1. Nitrogen Dioxide (NO<sub>2</sub>) are mainly associated vehicles emissions,
2. Sulphur Dioxide (SO<sub>2</sub>) a corrosive, acidic gas which combines with water vapour in the atmosphere to produce acid rain.
3. PM<sub>10</sub> (particulate matter with an aerodynamic of less than 10 microns) mainly associated with emissions from stockpiles, roadways, construction sites, fields, fires.etc and consists of dust, pollen, soot, smoke, and liquid droplets
4. Pollutants for national transport networks PAH [Polycyclic Aromatic Hydrocarbons] and HM [Hydrocarbons]

The Air Quality Objectives for SO<sub>2</sub> and NO<sub>2</sub> at the Santon were complied with for 2018 achieving the 85% data capture target.

There are two instruments at the Santon site measuring PM<sub>10</sub>, known as a TEOM (Tapered Element Oscillating Microbalance) which is used to continuously measure particulate concentration and FDMS (Filter Dynamics Measurement System) which monitors the core and volatile fractions of airborne particulates matter

- Both instruments showed compliance with the annual (yearly) mean Air Quality Objective for 2018.
- However, the TEOM at this site shows an exceedance of the (daily) 24 hour mean Air Quality Objective for 2018.

North Lincolnshire Council are currently in the process of reviewing the Air Quality Action Plan for the Scunthorpe Town Air Quality Management Area (AQMA), this is put in place to bring about improvements in local air quality.

For further local information in relation to air quality go to the link: [www.nlincsair.info/](http://www.nlincsair.info/)

## Andrew's Hedgehog Hospital Clapp Gate

Where Hedgehogs come first

The poem opposite has been written by Frank Tett who with his wife Veronica along with a host of volunteers run the hedgehog hospital at Clapp Gate. Contact as well as details on the hospital can be found at the following link [www.andrewshedgehoghospital.org.uk](http://www.andrewshedgehoghospital.org.uk)

## Appleby Parish Neighbourhood Plan Result of the referendum

Joy Powell

### Lead ~ Appleby Parish Neighbourhood Plan Group

The result of the referendum held on 21 March is as follows

The Question: Do you want North Lincolnshire Council to use the Neighbourhood Plan for Appleby to help it decide planning applications in the neighbourhood area?

**Yes 142 (90.45%) No 15 (9.55%)**

Parish Electorate 465 Ballot Papers Issued 157 Spoiled 0 Turnout: 33.8%

Thank you to everybody who voted. It was a high turn out of this type referendum and to achieve 90% in favour of using the Plan is a decisive endorsement.

Moving forward if you have not seen a copy of the plan it is available on [applebypc.org.uk](http://applebypc.org.uk) or if you do not have access to the internet please contact Ivor Keyes for a paper copy.

Now it is approved by the result of the referendum our neighbourhood plan attains the same legal status as the NLC Local Plan

The objective of the plan is to protect the character of the parish, ensuring any future development is appropriate in design and materials to any part of the parish whether be the Station Area, Santon, Clapp Gate, Appleby conservation area or Vicarage Park.

Neighbourhood planning provides a powerful set of tools for local people to ensure that they get the right types of development for their community where the ambition of the neighbourhood is aligned with the strategic needs and priorities of the wider local area.

Details of the Conservation Area Design Statement and the Parish Design Statement can be found in the Appendices to the Plan. It will assist individuals and architects planning projects and help the Parish Council to determine if the project is in keeping with its surroundings.

The plan also covers community aspirations and wishes for more footpaths and walking routes around the parish including work on developing a heritage trail and playground for children at Santon.

There is plenty for everybody to get involved with and it is exciting that we have a framework to guide us for the next 15 years.

Thank you to everybody who has been involved in the development process giving views attending meetings and consultations, completing surveys, it was all worth it.

## Vacancy Appleby Parish Council

Are you interested in becoming Parish Council, if so there is a vacancy

If you would like to find out more please contact the Parish Clerk Lynne Watson on 07739 571610 or by e-mail [clerk@applebypc.org.uk](mailto:clerk@applebypc.org.uk) who will send you a nomination form.

Forms are also available direct from Democratic Services, North Lincolnshire Council, Church Square House, Scunthorpe DN15 6NL The telephone number for the NLC 01724 296245.

**All nomination forms must be completed and handed in to the North Lincoln Council at the address above by 4pm 3 April 2019.**

There are some basic requirements

A person is qualified to be elected and to be a councillor if they are a British, Commonwealth, Irish or European Union citizen and on the relevant day (that is, the day of nomination or election) they are 18 or over. In addition, the person must meet at **least one of the following criteria:-**

1. Be registered as a Local Government Elector for the Parish on the current Electoral Register.
2. Has during the whole of the previous 12 months occupied as tenant or owner any land or other premises in the Parish.
3. Has had his/her principal or only place of work in the previous 12 months in the Parish of Appleby.
4. Has resided either in the Parish or within 3 miles thereof during the previous 12 months.

Certain people are disqualified from standing, these include:

- a. Paid officers (including the Clerks) of the council,
- b. Bankrupts
- c. Those subject to recent sentences of imprisonment
- d. Being found guilty of corruption

On January 8th the meeting. Opened with a brief business report and correspondence The meeting did not go as planned. We should have had a speaker from SSAFA (Forces) The speaker did not attend and so we had a quickly put together quiz. Gladys Siddall our treasurer organised this for us at the last minute. Now I think most of us know putting a quiz together at the last minute can be a bit mind boggling to say the least. Gladys did a sterling job and there were lots of laughs. Thanks Gladys. Great fun. Meeting closed with a raffle refreshments and of course chat time.

February meeting This as usual opened with short business and correspondence slot. We were then entertained by an ex Met. Police Officer Andy Lindsey The evening's talk was about Murder Investigations. Andy informed us he joined the police in his youth and continued with lots of training. He spoke about some pretty gruesome crimes and how the police proceeded to solve these crimes. He spared us the really gruesome details and hopefully none of our ladies had nightmares. Andy is an excellent speaker and everyone enjoyed his talk. Thanks were given and the meeting followed with refreshments raffle and talk time.

March 12th. Our speaker for this evening was Caroline Clemmow who is a very accomplished concert pianist. The evening opened with correspondence and business affairs. Caroline Clemmow informed us how at an early age she wanted to play the piano. She eventually persuaded her sisters music tutor (reluctantly) to give her lessons.

Caroline was only approx 4 years old her tutor realised Caroline would become a talented pianist and obviously her decision to teach her was a wise move.

Carolyn married another talented pianist and they toured together abroad and on cruise ships. There were some funny stories to tell, one in particular on board a cruise liner. The sea was very rough one time and her piano had to be caught from rolling of stage. Caroline just carried on playing in good Brit Style.

Sadly her husband died 2 years ago and she is now slowly getting back to travelling and playing solo. Thanks for a lovely evening Caroline This lady is local from Alkborough loves Lincolnshire after London. Her and her husband needed somewhere peaceful and a house that would accommodate a large selection of pianos which her husband loved and collected. Meeting ended with raffle and refreshment.

All meetings are held on the 2nd Tuesday of each month. We have a varied programme and trips out. We are a nice bunch of ladies and welcome new members with open arms and friendship Promise no Jam and marmalade.

**NEW MEMBERS ARE ALWAYS WELCOME**

Contact ANN DRURY, Secretary

## The Appleby Fayre 2019.

### 16th June

Robin Richbell  
Appleby Fayre Event Organiser

Only three months until our 34th Appleby Village Fayre.

We seek to get as many volunteers to help us with the production this year on set up day Saturday 15th June we need some muscle and some transport for our kit to set up the field the marque and seating bales and rope off areas. If you can help out contact Robin Richbell on 07471 337050 or through our email of [applebyvillagehall@gmail.com](mailto:applebyvillagehall@gmail.com)

We need help on the Fayre Day with manning the gates entry and various other jobs which are not too taxing or taking up all your time. We would welcome one hour up to a maximum of four hours of your time. We will be holding a pre event workshop in May to clarify positions and offer help with a greater understanding of our wants needs and desires.

We hold a Grand Raffle we have secured some local business to support us with prizes. If you have any gift which we could use to develop our offering we would be truly grateful. As this year a larger volume of money will be needed to support the refurbishment of the gables of the main hall and our windows, which are a bit leaky at times.

Support the local Village by attending on Sunday 16th June Father's Day costs will be £4 Adults and £1 for an under 16 child ,free to under 5's

Have a great start to Springtime and we welcome your support with our big event the Appleby Village Fayre on Sunday 16th June 2019.

## 2019 Flower, Produce and Presentation Show?

This ever popular parish fixture is normally held on the first Sunday in September

Unfortunately due to the lack of anyone to head the event's organisation it is unlikely that it will take place this year.

Anyone interested to help to get it up and running please email your details to [communitynewsletter@icloud.com](mailto:communitynewsletter@icloud.com) who will forward them to a member of the group.

## 100 Club Winners

January: £50 Sara Whiting, £20 Gary Hulme, £10 Mike Fox

February: £50 Chris Sims, £20 Joanne Drury, £10 Ros Worsley

## Village Hall

Craig Johnsen

Chair Village Hall Committee

As mentioned in the winter edition I took over from Paul as the new chairman of the village hall management committee in December and what a steep but enjoyable path it has been so far.

As a starter the committee and I have agreed a clear strategic commitment to ensure the required administration and maintenance activities continue, including associated fundraising efforts to continue to build on the great work of the past to ensure the future of the building and its facilities for use by the parish. But through this fundraising deliver events that are fun, inclusive and allow the community to come together and enjoy the great facilities we have on our doorstep.

As such we started the year with a bang with a sold out new year event, a great party atmosphere and some great outfits fitting the 70/80's theme. One we hope to repeat again and top next year. Then it was time for quiz Night with Clive & I as quiz masters, our first venture in the hot seat, but a great night with lots of great banter throughout the evening. Thanks for being kind to us! Then followed an informative talk from Alan Palmer on 'life on the Humber' which enthralled all with some great pictures and insightful stories as always. Then it was race night, which as per last year was another lively and enjoyable and highly participated night for those of all ages. With the final owners round being highly competitive with the winning owner generously donating 50% of the winnings back to the hall which I can only say a massive thank you for.

I also want to mention the community Café, that happens each week on Wednesday, which remains incredibly popular and although I work full time I do try to get to these as often as I can. They are a great way to meet people across the parish and wider.... Plus the brews and biscuits are good too!!

All of these events would not be possible without the amazing investment that the committee and the great group of volunteers that we have in the village, so thank you as always to you all.

So what next, well... although the building is steep in history this does mean we have some more work to do to keep the building in a fit state and as such the committee and I are proactively planning now for next phase of renovations.

The committee and I are striving to hold an event a month, and we've particularly spent time trying to widen the appeal of the events we arrange... for example with more family events (the next being the Easter event and the recently held rural touring night). Also of course readiness is already underway for what I'm sure will be another great Fayre Day.

Jenny will also be doing the rounds again for our 100 club draw, with monthly prizes of £50, £20 & £10 (and a special draw in December).

But as always, we rely on support and welcome fresh ideas and input... so if you're interested in joining the committee do let me know... honestly, although we do have a tough job to do sometimes, it is great fun... and I personally think we're an awesome bunch 😊

So I've rambled on enough but honestly thank you for continued support, it's what we do it for, and particular thanks to Paul Johnson for putting up with all my questions over the last few months and for still being an incredibly proactive member of the committee.

If you have any questions, ideas, want to join the committee or want to book the hall just email the committee on [applebyvillagehall@gmail.com](mailto:applebyvillagehall@gmail.com).

## Community café

Wednesdays 1030am until 12 lunch.

Jacky Johnson ~ Village Hall Committee Member

We are still very busy offering an excellent meeting place for all. Make new friends, have good conversation and help is available for problem solving (Police advice ) and Neighbour hood watch Rep. Roger Fernando, our own Ivor Keyes (chair parish council). These good people can offer advice or have contacts for further information.

Our local rural police officer Dawid calls in and has actually gained permission to take a group photo of everyone at coffee morning. This he will show to other villages under his wing. Apparently Appleby is the only village that has a successful coffee morning on his rounds and he wishes to offer encouragement to others who may hopefully be able to follow Appleby's example.

We still need helpers. Sheila our main helper is from Broughton however she is an active Appleby WI lady. Big thank you to Sheila and other helpers Judith and John , Ivor and Chris, Suzanne, Chris and David. Also to those who help with pots , etc. Thanks Brian. Also to anyone who " mucks in " All monies people volunteer to give are used to support our Village hall for maintenance and the like.Hope to meet new people on Wednesdays. at the Village Hall.

## Neighbourhood Watch

Roger Fernando

Coordinator Neighbourhood Watch.

Residents will probably recall the success of the previous Appleby Neighbourhood Watch (NhW) Residents' Meeting on Thursday 22nd November 2018, which was supported by two special guests (Inspector Tim Harvey of Humberside Police, and Sandra Joyce of North Lincs Council Safer Neighbourhoods Team).

Following that meeting, our local Police and Crime Commissioner (PCC), Mr. Keith Hunter, contacted the Parish Council (PC) and requested a meeting with the PC, as part of his Regional Programme to meet with representatives of local communities.

The Parish Council welcomed the possibility of such a meeting, but felt that it would be more appropriate that the PCC should meet with a wider group representing Appleby Parish. Therefore, the Chairman of our PC, Ivor Keyes, and your local NhW Co-ordinator, Roger Fernando, have worked together to organise a joint meeting of the Parish Council and the Neighbourhood Watch Group to welcome Keith Hunter on his proposed visit to Appleby Parish.

The joint meeting of the PC and the NhW Group which Keith Hunter will visit, as Special Guest, will be as follows:-

Date Of Joint Meeting: Thursday 11th April 2019  
 Meeting Starts At: 7:00pm  
 Special Guest: Mr. Keith Hunter, Police and Crime Commissioner

The Agenda for the Joint Meeting is still open, in order to give all residents of Appleby Parish an opportunity to include any item on that Agenda which they feel should be brought to the attention of the PCC.

Therefore, if you wish to identify any issue to be considered for inclusion on the Agenda for the forthcoming Joint Meeting please contact any of the following, as soon as possible:-

Ivor Keyes, Chairman, Appleby Parish Council [Ivorkeyesapc@woodside16.plus.com](mailto:Ivorkeyesapc@woodside16.plus.com)

Lynne Watson, Clerk, Appleby Parish Council [clerk@applebypc.org.uk](mailto:clerk@applebypc.org.uk)

Roger Fernando, Co-ordinator, Neighbourhood Watch [crf-csd@uk2.net](mailto:crf-csd@uk2.net)

The deadline for adding any agreed item to the Agenda for the Joint Meeting will be Wednesday 3 April 2019.

Keith Hunter, the PCC, brings an unusual background experience to his role as the Commissioner. His experience includes 30 years as a serving Police Officer (retiring with the rank of Chief Superintendent). The last Police post he held was as Divisional Commander for Kingston upon Hull. However, after retiring from the police, Mr. Hunter added to his police experience as a member of a small National team tasked with improving underperforming police forces. More recently, Mr. Hunter had experience as an expert consultant on criminal justice, management and leadership.

So, if you want to meet Keith Hunter and join in discussions about local policing with him and other residents of the Parish make sure you join us at the Joint Parish Council and NhW Residents' Meeting on Thursday 11th April 2019. I look forward to welcoming you there.

## Traffic Update

### Nighttime curfew agreed

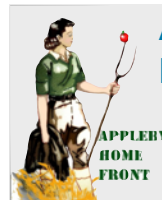

At the most recent meeting with Tarmac and the parish council, along with a few residents and local businesses Tarmac announced that they would no longer route their lorries through the Parish between the hours of 22:00 and 06:00.

This is a significant improvement for residents living at High Santon Villas, Ermine Street Appleby and the Station Area. Discussions have been

taking place for some four years now and improvements have been put in place by British Steel, who were unable to attend this meeting.

NLC staff and Ward Councillors have helped facilitate these improvements and there is still some work to do, but we must thank Tarmac for taking this most recent decision.

## Appleby 1940s Festival 2019

20 July

Jane Smith ~Treasure Home Front Group

The daffodils are carpeting our beautiful Village suggesting spring is around the corner so we would like to keep you abreast of further developments regarding our second Appleby 1940s Festival which is being held on Saturday 20th July- 1pm til 10pm – please make a note in your diary!!

Our small Group have been working very hard to bring a memorable and enjoyable day for you, your families and your friends – a community spirit day !

This year we are aiming to run the day until 10pm with an evening dance and music from Room 21 Big Band.

So far at the playing field we have a small children's fair ground with rides of the era together with traditional Punch & Judy and games, lots of vintage motor/aircraft exhibits, a vintage style market, a wide range of very tasty caterers/bar and not forgetting our Entertainment line-up this year (marquee) which is second to none! ..... And that's for starters... more news will follow.

We are so pleased our historic Church will be opening again with exhibits and memorabilia – also the Keb and the Village Hall – together with a few surprises around the Village!

SCARECROWS – Please, please display a scarecrow on the Day ! This year the theme is 'Films of the 40's' (absolutely anything goes) – it may be a Disney film / character of the era or a Film Title or Actor/Actress just as an idea – the village contribution really does play a fabulous role.

### TRADING STALL

If anyone fancies a stall pitch – please contact Jane [applebyhomefronttreasury@google.com](mailto:applebyhomefronttreasury@google.com) for a booking form/enquiry.

Wristbands for entry are on sale via Eventbrite, [www.eventbrite.co.uk](http://www.eventbrite.co.uk) or email us at [applebyhomefront@gmail.com](mailto:applebyhomefront@gmail.com) for further information.

## Need to report a problem to NLC?

### Use North Lincs Council Portal.

For those with internet access can via North Lincs Council Portal, report issues such as street light repairs, dog waste bins, pot holes litter etc is available via their website [www.northlincs.gov.uk](http://www.northlincs.gov.uk) then follow the report links to the specific department of concern. It save considerable time in getting issues resolved. If you don't have an internet connection reports can be made via phone on 01724 297000

Reporting through the Parish Council is obviously still available and can be done by raising it at a PC's meetings or by contacting the PC Clerk Lynne Watson on e-mail [clerk@appleby.org.uk](mailto:clerk@appleby.org.uk) or by letter to 1 Orb Lane, Scunthorpe DN15 8QY.

## Neighbourhood Watch

### Your contacts

In an Emergency or crimes in progress always call 999

None Emergency calls, to report a crime or to report suspicious activities use 101 or can be made via Humberside Police website:

[www.humberside.police.uk](http://www.humberside.police.uk)

### Neighbourhood Watch

Appleby Parish Neighbourhood Watch Coordinator Roger Fernando contact details e-mail [crf-csd@uk2.net](mailto:crf-csd@uk2.net) Tel: 01724 735273

### Safer Neighbourhoods

Jack Ellerton:

email [jack.ellerton@northlincs.gov.uk](mailto:jack.ellerton@northlincs.gov.uk)

Telephone 01724 244641

### Community Police:

PC Amanda Barnett has left, replacement to be announced

PCSO Dawid Chabe

[dawid.chabe@humberside.pnn.police.uk](mailto:dawid.chabe@humberside.pnn.police.uk) or telephone - 07388 372635

The contact details for Dawid should not be used for reporting crimes or incidents.

My Community Alerts, is a Police updating service which will keep you informed of recent scams etc, to set up this facility visit

<https://www.humberside.police.uk>

follow the links to My Community Alert,

[www.appleby.org.uk](http://www.appleby.org.uk)

Also on Appleby Website hosted by

[www.appleby-lincs.co.uk](http://www.appleby-lincs.co.uk)

Compiled and distributed on behalf of Appleby Parish Council

Summer edition is out on 6 July

## Report Humberside Rural Policing Advisory Panel

Meeting held on 21 March

Operation Galileo which is aimed at hare coursing throughout Humberside reported a reduction of some 35% this season compared to last and the numbers for North Lincolnshire were down to 71 daytime incidents.

Appleby itself was also dramatically improved again and is not considered a Hot Spot for the second season running. Our Gamekeeper Glyn has been at the head of that reduction in Appleby and puts much of that down to the reporting of incidents and suspicious vehicles by you the residents. The 101 number is still the way to report suspicious activities but 999 should be used for Crimes in Progress.

A number of other rural issues were discussed, one being road safety. At our last PC meeting a resident asked if speed monitoring could be carried out at non regular times. The Safer Roads Humber representative has agreed to take that issue forward.

Crimestoppers 0800 555111 is another way of passing on information anonymously. Visit their website at [crimestoppers-uk.org](http://crimestoppers-uk.org)

## Best kept village competition

Appleby has again entered the Best Kept Village Competition hosted by the Campaign for Rural England.

Categories entered include

Best Kept Playground

Best Kept Churchyard

Best Kept War Memorial

Best Community Planting

Appleby has done very well in previous years winning in 2013,

Together we can win again in 2019

### Village Hall

### Dates for your diary
