

News From St Bartholomew's First Cautious Steps

Revd Alice Nunn

As you know the church has been closed due to Covid 19 since March, and no worship has taken place there, or in any other of the Group churches since then.

But things are moving and the Group is taking the first cautious steps towards opening, but I think it may be a little while before we have services at St Bartholomew's again. There are very strict rules in place about Social Distancing / hygiene / hand washing / how we do Holy Communion and so forth which MUST be adhered to. It is likely that Sunday services will resume first at Winterton, because we have already carried out the required safety audits and have hand sanitisation stations in place. Also because we have chairs it is easier to "manage" the space, and we have running water. I know this may be disappointing to you, but we will get services back, but now is not quite the time.

Meanwhile we are opening Winterton All Saints for private prayer on Wednesday afternoons between 2 and 4pm and you would be most welcome to drop in if you wish.

May I remind you that we are streaming a regular Sunday Service from Winterton which can be accessed via the website <http://lincoln.ourchurchweb.org.uk/winterton> You will be most welcome to join us either when we stream at 10.45 on Sundays, or later on YouTube.

If anyone wishes to contact me for any reason please do not hesitate to do so 01724 732262.

I am delighted to mention the hard work that has gone into caring for our churchyard recently. It looks really good. I'd like to thank everyone involved...I'm not mentioning names in case I miss someone off, but you know who you are. Big thanks to all of you.

With my very best wishes Alice

Parish Council Keeping You Informed

Councillor Ivor Keyes

Chairman Appleby Parish Council

Hopefully we'll be returning to more normal activities soon, the last few months have been a challenge for everyone and it has not been an easy time for many. It has to be said that people have rallied round to help each other out, friends and neighbours have supported the more vulnerable and the Parish Volunteers have been excellent when stepping in if family were not able. It would be wrong to name individuals who have helped for fear of missing someone out, and it has to be said that it has been a brilliant effort on everyone's part.

Chicken Farm : No news yet of when the outcome of the application will be decided. The decision will be made by NLC Planning Committee, not the Planning Officer, although he will make his recommendations based on the input from Statutory Consultees of which Parish Council is one. Resident's comment will also be taken into account. The objection response from residents has been very good and Parish Council has made it's objections very clear along with Appleby Conservation Group.

Parish Council has taken on the responsibility for maintaining verges in the Village which means we will have more control of how and when to carry out grass cutting. Cutting Edge who already take care of grass cutting on the playing field and around the Village Hall have taken on the verges as well. Grass cutting on public Rights of Way has also been devolved to Parish Council and JB Rural Services are responsible for that. Cutting Edge also maintain the planters around the Parish and they are looking good for summer. Residents have again stepped up to the plate to keep the planters watered.

The Best Kept Village judging will be taking place between 13th and 30th July, so now is the time to get busy with hedges trimming and keeping our gardens spick and span as usual.

The new playground equipment, seats and benches, is now in place. Lets' not forget the contribution from "The Friendly Five" group of children Tristan, Millie and Jenny Robinson Marriot, Ruby Hall and Saskia Lalne, who raised money during a Lifestyles Community initiative organised by Humberside Police and asked that the money raised by doing odd jobs around the Village be put towards new equipment, thanks again for their excellent effort and consideration.

With the relaxing of some of the lockdown measures the children's playground is back in use along with the outdoor gym equipment.

Please be aware of the following Government guidelines for use of the facility :

Do not consume food or drinks when using the play equipment, thoroughly wash your hands when you return home. maintain the recommended social distances, bring your own sanitizer to clean hard surfaces, please put all litter in the bin provided just outside the playground, or take it home. Parents/carers be aware that it is their responsibility for children to use playground equipment safely.

VE Day has been and gone and we were unable to put on the street party that had been planned. However, PC did put an anniversary wreath on the War memorial, and the 40's Group delivered some sing along around the village(details at page 4), so all was not lost.

In the mean time Keep Safe

Friends of Appleby Parish

Erika Stoddart Treasurer

Due to Covid 19 we haven't been able to do much. We have written to the diocese reference repairs but most of the team has been put on furlough.

We have to say a big thank you to Terry and Maureen Beisty who have kept the church grounds pristine throughout the lockdown.

As we slowly emerge we will start to think about suitable events.

100 Club

Jenny Hook

Organiser

Due to the Covid 19 lockdown along with shielding approximately 20 subscriptions have still to be collected for this year's draw, I will be round to as soon as it is possible to do so.

The following are the recent winners

March

£50	3	Spencer Pullin
£20	100	Alan Palmer
£10	28	Emma Beck

April

£50	37	Brian Horsfield
£20	98	Rachel Johnson
£10	2	Clive Towle

May

£50	33	Anne Harrison
£20	71	Chris Sims
£10	29	Marion Coulton

June

£50	24	Liz Langthorne
£20	31	Diane Parkinson
£10	8	Stephanie Morley

There are a few numbers now available for an annual subscription of £24.

If you would like to participate in this monthly draw the net proceeds of which is to the benefit of the Village Hall upkeep please contact Jenny on email who allocates the numbers. jenny.hook.jh@gmail.com

End of an Era

After 42 years delivering newspapers around the parish Elizabeth Hebblewhite has decided to call it a day. In that time she has only missed delivering twice, both times due to heavy snow.

Elizabeth took over from her mother Elsie Blanchard in 1978 who had been running the paper round for a number of years.

Thank you Elizabeth for your dedication to the community and providing this service over all these years in all weathers along with all those early mornings!!

Village Hall

Craig Johnsen

Chair Village Hall Committee

Hi All, it's been a while! I hope everyone is safe and well!

So I just thought I'd give you a quick update on things from the village hall in these strange times... as there are still plenty of things still going on behind the scenes... but I'll try and keep it brief... First things first... most importantly all on the committee are ok and we thank all of you for your support this year so far, as always.

In terms of events... yes unfortunately we've had to cancel all planned events for the foreseeable this includes Fayre Day, which with current restrictions and risks is not tenable, but all being well we will come back stronger next year.

Although lockdown restrictions are easing, at this time we still cannot take any bookings or use the hall in any real way based on current guidelines from the government, and it is likely that new processes will need to be in place before we can. So at this time all regular meetings and group sessions at the hall have been cancelled, including the football teams use of the field for this season.

But the 100 club still continues and Jenny is still doing her rounds. For those who Jenny hasn't collected from who still want to join the draw Jenny will pop envelopes through doors with her address on for money/cheques to be brought to her if that's ok, due to her personal circumstances.

In terms of the building itself... it remains in okay shape but with significant repairs still needed, whilst we have sought some additional funding grants, we are trying to tackle some of these with the limited funds we have while the hall is shut. The first things being addressing are the ageing floor, building guttering and the ventilation in the kitchen which are essential to preserve the fabric of the building. We also have some urgent remedial work to the drains required which we are investigating. As the building remains out of use, we are checking on it regularly ensuring compliance to legislation but this lack of regular use will likely result in some further repairs needed.

The playing field... this has and will continue to remain open to all. Thank you for not using the equipment or abusing the grounds.

Financially... obviously like other charities and businesses this time has hit us hard and although we have aimed to reduce outgoings where we can, we have no income at the moment other than the 100 club, which will impact our funds once this is all over. But the great news is that we have been able to secure a grant from the government via North Lincs Council that will keep us solvent and has allowed us to tackle the urgent repairs mentioned. So we remain positive and continue to, in my opinion, do the right thing by donating food/drink stock that cannot be used to the local food banks or selling on where sensible, and maintain services to the hall and playing field, i.e. cleaning, minor repairs etc to ensure the hall and field will be here for years to come.

The committee continue to meet monthly via Zoom online video conferencing facility, the hall is regularly checked upon and we are using this time to plan ahead, so hopefully once a new 'normal' returns we can come back strong. We are missing you all and we wish you all to stay safe and well! We'll see you on the other side!

Wednesday Morning Community Café

Jacky Johnson

Hello everyone. Just a brief article to confirm we are still honouring safe distancing so obviously not holding the event as yet. I'm sure everyone is desperate to get back to our social chat morning and meet up again with our fellow villagers. When the Hall is opening its doors and we are safe everyone will have so much to say it will be one heck of a noisy morning. Once we know our start back date we will do our best to let people know. I myself have missed everyone and hope you are all in good health. Best wishes to those people who have helped run our mornings and served refreshments. Without their help the event would not happen. Hope to see you all soon, take care.

Appleby Fayre ~~2020~~ Now Planned For 20 June 2021

Robin Richbell
Appleby Fayre Event Organiser

This year we have had cancelled our 2020 Fayer and now look forward to next year when the event will be on Father's Day 20th June 2021.

Lots of exciting events are planned. Country Fayre variety with a Mountain Bike Show from Savage Events ,which will be performed in the Basketball area of our Playing Field. We will be attracting more Steam Power from Andy and his friends from Santon. Including the Steam Roller and a ride on Railway for the children. The Dog Agility Flyball will be back to perform on the arena and to open an area for have a go with your own dog.

We will be opening the Village Hall for our Christmas Fayre on Saturday 28th November 10am till 4pm some of our usual stalls plus many new local producers of Gifts and Home Made fare for your Christmas delights. Get your Christmas Tree from Cutting Edge from the car park, which can be delivered to your home at no extra charge.

We are trying to bring the Field to life when allowed. We might include a few Sunday Car Boot Sales and look at possibly Caravan Rallies to bring in some income for the Village Hall. Maybe an outdoor Music Event to socially develop a community spirit.

Keep looking at our Facebook page for Appleby Residents where we shall promote our events, as soon as we are allowed.

Have a Stay Safe Summer Robin Richbell Organiser Appleby Country Fayre 07471 337050 Email applebyvillagehall@gmail.com

Appleby & Santon Community Speedwatch (CSW)

Ian Hook

In line with Coronavirus Guidance, our local CSW scheme was suspended by Humberside Police in March 2020.

From its commencement in December 2019, 351 vehicles out of a total of 1917 vehicles which passed the monitoring points were exceeding the speed threshold. Of these, 3 vehicles were repeat offenders and 1 vehicle was a three-time offender.

Local residents have raised concerns that vehicle speeds have increased during and since the "lockdown" period.

It has not been possible to recommence our monitoring sessions due to the existing commitments and limitations of the relatively small number of volunteers in our team. It is hoped that the team will be able to recommence activity in the coming weeks.

If anyone would like to volunteer and join our team, please email me ianhook@hotmail.co.uk and I will pass your details on to our local co-ordinator so that training can be arranged.

Free Home Composter

North Lincolnshire Council
launch Grow Don't Throw

Come and join the recycling revolution, with more households going green, using composting to manage their garden and organic household waste North Lincolnshire Council has introduced a new scheme to help those who want to do more for the environment.

The scheme will give residents the option of exchanging their brown bin with a new free home composter, focussing efforts on recycling a greater range of household waste rather than throwing food waste away.

It is simple to do and a lot of daily household waste can be recycled. This includes shredded paper and torn cardboard to fallen leaves, raw fruit and vegetables, some used tea bags and grass cuttings.

If you have a garden, you could recycle your household and garden waste into compost rather than throwing it away, transforming it into a valuable and nutrient rich food for your plants, which is inexpensive and easy to make.

Free home composters on offer will be 220 litres or 330 litres, so people can choose what the best option for their garden would be. A ten-litre bag of compost can cost between £3 and £4 so you could save up to an average of £115 by choosing a 330- litre bin and making your own.

Home composting not only enables people to have more choice over how to manage waste, but is more sustainable and better for the environment. Composting at home for just one year can save global warming gases equivalent to all the CO2 a kettle produces in a year or that which a washing machine produces in three months.

Appleby WI

INSPIRING WOMEN
Jacky Johnson
Vice President &
Press Officer

Hello everyone. Not the normal article, however will do my best to keep you informed.

Our president Sheila has been exceptionally busy shopping for members. Sheila also contacts ladies to check on their wellbeing and have a little chat to relieve isolation. It is important to keep in contact with everyone as a WI group, it's so easy to feel lonely not meeting and socialising. I myself have been indoors since November last year due to awaiting surgery and unable to mobilise. Fortunately as Press Officer for the WI I have been kept busy emailing and finding more information in our area about Covid 19. There have been confusing messages many contradictions and U turns I have, with the help and advise from local sources and North Lincs Council been able form a clearer picture which will obviously affects the WI programme for next year. North Lincs Health and Enviroment Dept tell me it is far too early to plan for next year as Covid 19 is still in its early stages. They will keep us informed by email. Sounds doom and gloom however our safety is paramount.

On a brighter more positive note I have had the time to nature watch more than previously. To date I have watched ares in the field at the front of the house and encouraged Gold Finches with Niger seeds into the front garden. At the back we also have field where we observe deer trotting across to the woods. At night we are blessed with two very large barn owls who fly along our back drive. Better than the Red arrows! I have also seen bats fly by our front Windows at night. All these have been there before, I have just not stopped and watched their activities. Would I have done this previously if not for Covid. I think not.

To update on Trustees and Federation. Planning for next year is a no go, no events so far. Trustees are hoping to hold Annual Federation Day in April however this is not written in stone. Circumstances may well change. I will keep you updated via Sheila our President and Anne our Secretary.

I will sign off now ladies and please stay safe. Contact others by phone when you're down in the dumps. Don't hesitate to ring for a chat. I think you all have a list of phone numbers of our members.

Best wishes to everyone stay safe we're in this together.

Appleby Home Front Group

Yvonne Grant

Chair Appleby Home Front Group

Hello everyone, we hope you are all well and managing to dodge the bugs! What a time we're having.

We're very aware that lockdown has created many problems for some, particularly isolation and loneliness. Please, don't forget we're here if you need a chat, hearing another human voice can make the world of difference. Please ring us on 07730365924 and we'll get back to you as soon as we can :)

It's good news to hear that restrictions on our community activities are starting to lift but we are very aware that we are far from out of the woods just yet.

We hope you enjoyed our socially distanced village walkabout on VE day. We were chuffed to bits to see so many people out in their gardens enjoying a spot of tiffin. The village looked resplendent again in its red, white and blue. Thank you so much for joining in - you are wonderful. Thank you also for putting up with our singing and thank you for joining us for a good old sing-song. It was a very emotional (and hot!!!!) day for us all. Did you manage to catch our little tribute to the Home Front and Women's Land Army on You Tube? If you didn't and fancy a little giggle you only have to search for Cornfields, Carrots and Curlers on YouTube and there we should be. We were overwhelmed when we were featured on Look North (not once, but three times!), we're certainly putting our little Appleby on the map!

Well, we're looking forward to coming together (eventually) and are in the very early days of planning for a vintage music festival here on the 24th July 2021 so please, start gathering bits and bobs for those terrific scarecrows! Let's see if we can make a model of some of the houses in the village too! It would make a wonderful display for festival day and maybe a fundraiser for St Bartholomew's or the Village Hall! What do you think? Please email applebyhomefront@gmail.com if you would like to get involved. The idea has already received an exciting response from residents - thank you so much.

That's it for now peeps.

TTFN Stay Safe

Dates for your diary

Due to the coronavirus pandemic government guidelines on social distancing, all large and small gatherings in public spaces are currently restricted.

Village Hall

Parish Council Meeting

In view of the current ruling on public gatherings / meetings the following will be 'virtual' meetings via Zoom video conferencing facility

Tuesday 21 July 7:00pm

Tuesday 18 August 7:00pm,

Tuesday 22 September 7:00pm

Pop in café Closed until further notice

Bingo No session until further notice

WI: No meetings until further notice

Other Events at the Village Hall

There are no other events until further notice

St Bartholomew's Church:

No services until further notice
